BENEFITS

Treat acne on the back, chest and shoulders with Neutrogena® Body Clear® Body Scrub with 2% Salicylic Acid acne treatment. Specially formulated for body acne, this effective scrub with gentle exfoliators sweeps away dead skin and cleans deep into pores to give you clear, smooth skin on the back, chest and shoulders.

This daily body scrub does not contain plastic microbeads and is gentle enough for daily use and acne-prone skin. This exfoliating body wash creates a foaming lather and rinses clean without leaving pore-clogging residue, so your skin feels clean and fresh.

- Dermatologist-recommended acne brand.
- Helps prevent breakouts on your back, chest and shoulders.
- Rinses clean without pore-clogging residue.

KEY INGREDIENTS

+ Salicylic Acid

[Full list and drug facts, click here](#)

HOW TO USE

STEP 1

For maximum lather, massage over wet skin with a washcloth or body puff, concentrating on areas prone to breakouts.

STEP 2

Rinse well.

ADDITIONAL INFORMATION

- Use daily in the shower or bath.

TACKLE ACNE WITH EVERY WASH

This effective yet gentle body scrub contains a proven acne-fighting ingredient. It cleans deep into pores using gentle exfoliators, sweeping away dead skin to give you clear-looking skin. And its foaming lather rinses completely clean without pore-clogging residue, so your skin is left feeling clear.

- With 2% Salicylic Acid acne treatment, it helps treat present breakouts and prevent future body acne.
- Exfoliating scrub does not contain plastic microbeads; gentle for daily use and acne-prone skin.
- Specially formulated for body acne, this scrub cleans deep into pores, sweeping away dead skin.

HOW TO USE

STEP 1

Wet face and hands with lukewarm water.

STEP 2

Pump cleanser into hands and work into a lather.

STEP 3

Massage lather onto skin with a gentle, circular motion.

STEP 4

Rinse with lukewarm water and pat dry with a soft towel.

ADDITIONAL INFORMATION

- This gentle cleanser is effective for cleansing before and after wearing your face mask.
